VOL. 13 NO. 48 WEDNESDAY, NOVEMBER 29, 1972

December Tax Notice Irks Local Taxpayers

Property owners in St. Albert, who have either taken possession of a new property or made improvements since the last assessment roll was made, are presently receiving tax notices which provoked a certain amount of hostile public reaction.

There are several areas of complaint related to this supplementary assessment issue. The main objection comes from ratepayers who feel that the supplementary assessment is unfair, others complain that the tax notice is untimely because it's too close to Christmas time. One irate ratepayer said, "I object to a retroactive tax."

The supplementary assessment bylaw was ratified by town council on June 19, 1972 when bylaw 31/72 was given third and final reading. This bylaw was passed following enactment of an amendment to the Municipal Taxation Act in the provincial legislature earlier this year.

The amended legislation gives authority to municipalities to pass a special assessment bylaw authorizing municipalities to levy a supplementary assessment of property. This Act was legislated because municipalities, throughout the province had been complaining for many years of the unfair taxation deadline situation. The complaining municipalities meant that it was unfair for a shrewd operator to build and occupy his house or place of business "for free" from any

period after October 31 until the next assessment period. This 'free tax time' could extend from a few weeks up to almost a full year. This also includes improvements to property.

Now, that 'loophole' has been circumvented by the Supplementary Assessment of Improvements Act. It's not a retroactive tax or is it unfair. Through this legislation, every property owner pays his share from the time the work is completed or the property is occupied. The improvements are assessed and taxes pro-rated on the value of that part of the improvement which does not appear on the assessment roll at the time the supplementary assessment is made.

In explaining the 'untimely' mailing of supple-

mentary notices in December, just before Christmas, Russ Bowen, secretary treasurer explained the Act as follows:

"To comply with legislation, now that we have a supplementary assessment bylaw," Mr. Bowen explains, "the assessment must be done, the supplementary assessment roll must be completed and the assessment notices mailed before the end of the year."

Mr. Bowen and other members of the town hall staff sympathize with citizens who were not expecting an assessment notice at this time, but feel that the entire issue has been sufficiently aired in The Gazette and at council meetings that 'assessment notices at this time... Christmas or not... should not have taken anyone by surprise.

Kinettes Could Use Some Help!

The Kinettes are hard at work on the Christmas Hampers, an annual community service project of the club. They find that there will be more hampers needed in St. Albert than the 56 distributed last year, but so far their donations are somewhat less.

Anyone wishing to help ensure that our less fortunate families all receive brimming hampers should contact Zelda Purdon at - 599-4501 or Sharon Winskill - 599-7075.

Donations of food, "like new" clothing or toys will be much appreciated, and cash donations in any amount are most helpful in enabling the Kinettes to balance the hampers.

Goods may be dropped off at 12 Gladstone Cres., or given to the Grandin Cleaners driver if she is making a pick-up or delivery at your home, or you may arrange a pick-up by phoning Zelda or Sharon.

Delivery date for the hampers is December 20.

STU recognizes help

Shirley Dunk, left, and Doris Jobe were presented with brochures Tuesday morning by Mr. Olthuis, chairman of the Board of Health, in appreciation of their volunteer work with Sturgeon Health Unit.

Chairman William Olthuis of the Board of Health was happy to interrupt the proceedings of the board's meeting Tuesday. At 11 o'clock he called a break to make presentations to two St. Albert volunteers, Shirley Dunk, 130 Grandin Rd., and Doris Jobe, 46 Grandin Rd., received engraved silver brochures in recognition of their service to Sturgeon Health Unit. Since the volunteer program was set up by the Unit in September, 1971.

Shirley helps with well-baby clinics and with school visits in such areas as vision testing. Doris has concentrated on the baby clinics.

Dr. Jim Howell, M.O.H. advises that the Unit is short a few volunteers at the moment and would welcome a call from local and district women with four hours or more to spare a week. This is an interesting and satisfying area of community service, and one which enables the volunteer to meet many new people.

Ed Savoie Named Citizen Of The Year At Chamber Banquet

Ed Savoie of Villeneuve is the Citizen of the Year for 1973, and holder of the handsome St. Albert and District Chamber of Commerce trophy and plaque. Judging by both the submission read by Mary Halwa, and the enthusiastic standing ovation given Ed by the crowd of about 150 people at the dinner dance in Club Mocambo, Saturday evening, Mr. Savoie was a popular choice.

Ed's work with young people and with old people was emphasized by Mrs. Halwa in her talk. "Nationality or colour make absolutely no difference to him," she said, "if anyone is in need, Ed Savoie is unfailingly ready to help."

He is a school bus driver, but more than that when students need transportation to sporting events, student exchange tours or elsewhere, Ed always offers to drive them. And further he takes responsibility for their safety and well-being wherever they go. He was the man responsible for getting the junior baseball program going in his area, and in on the ground floor to help with the Villeneuve Hall project.

He is a constant regular visitor at Youville Home, where his cheerfulness and kindness mean a great deal to the residents. "Wherever he is, Ed always takes time

Finals Sunday

Play got underway Saturday in the annual Mens Open Bonspiel at St. Albert Curling Rink with a full entry of 64 rinks, including 30 local teams. \$2,000 in prizes are on the line. Dave Haley of Athabasca, who won the school-boy championship twice in a row is one of the visiting curlers.

Friday evening at 8 o'clock, while all 64 rinks are still alive, they will all be sold at a Calcutta Auction at the rink. There will be no curling between 11 and 2 on Sunday, for Grey Cup time.

Beginning Saturday at 8 a.m. the axe falls on every loser and the finals in all four events will be held Sunday evening at 7:30 p.m.

Santa Is Coming

Members of the Single Parents group and the Senior Citizens Club have enlisted the co-operation of the merchants in Grandin Shoppers Mall to bring Santa Claus to St. Albert for three weeks preceding Christmas.

He will arrive at 6 p.m. December 4th and be around taking orders and visiting the little folk till the 22nd. Arrangements have been made for Santa to have a throne on a decorated stand and the little elves tell us he will be giving away candy.

Can you imagine that! Me, the Citizen of the Year? When Chairman Jim Oliphant made the announcement right after dinner at the Chamber banquet Saturday evening, photographer Vic Post caught Ed Savoie's immediate re-action. From the ovation that followed, it was clear that everyone present certainly could imagine it!

to stop and chat with older folk."

Ed Savoie always has time to help a neighbor who is sick or in financial need - he would never pass anyone stuck on the road.

Another written submission supporting Mr. Savoie's nomination, described of how 22 years ago he would be out opening culverts and draining roads in Villeneuve district, how he visits not only Youville Home but, patients in Sturgeon General as well, on a continuing basis. His care that young pupils on the bus have coats and boots properly fastened -

how he gets acquainted with the youngsters before they start school, if they will be his passengers, of trips in bad winter storms, when he had to shovel his way through, with sick people in the car he was taking to hospital. The brief concludes "Ask yourself - 'Am I my brother's keeper?' your answer may be 'no,' but Ed Savoie's would be yes."

Following Mrs. Halwa's speech, Ed and his wife Laura were brought to the places reserved for them at the head table - both very

Toronados Deplore Arena Ice Ration

In an interview by appointment with the regular meeting of council last Monday, Mr. L. Wakefield, president of the St. Albert Toronados hockey team complained strongly about the allocation of ice-time at the arena.

Mr. Wakefield told council that his team made application for ice-time during mid-September and was turned down because the arena was already all booked up.

"I don't feel it's fair to local teams," Mr. Wakefield said, "when ice-time is allotted an Edmonton team (the Edmonton Industrial Team) and we're refused." He helped build that arena, Mr. Wakefield protested, and we should be given preference over an outside team.

Council sympathized with Mr. Wakefield but admitted that nothing could be done

about the situation. It was pointed out by council that teams book early in the season for ice time and suggested that The Toronados do likewise. Council also suggested that perhaps ice time would become available early in the new year but Mr. Wakefield said that that wouldn't do his team any good. He concluded by saying that his team will have to seek out-of-town ice facilities.

Councillor Bob Hudson attempted to put a motion through whereby a deadline for arena bookings would be instituted but the motion was later withdrawn. Meanwhile, Councillor John deBruijn hinted at the construction of a second arena for St. Albert, but that suggestion fell on deaf ears.

However, the arena booking issue was handed to staff in an attempt to institute a more equitable policy for next year.

Motorists Warned To Lock Car

St. Albert RCMP issued a note of warning this week that gangs of youngsters, not necessarily from town, are currently ransacking parked vehicles in search of valuable items.

Staff-Sergeant Jack Roy, detachment commander here told The Gazette that recently, his staff has investigated a number of thefts resulting in the loss of tapes, tape-decks and other valuable items, to gangs of juveniles.

"These youngsters," Staff-Sergeant Roy says, "are out looking for whatever they can find in cars parked along streets, in drive-ways or parking lots." The police urge citizens to lock their vehicles, refrain from leaving valuables in their cars and report any suspicious activity noticed around parked vehicles.

Included in the police memo was a suggestion that owners of removable items, such as tapes and tape-

decks, radios, etc., should write down the serial number in case these items fall prey to thieves. Staff-Sergeant Roy explains that items, recovered during investigations, are often difficult to return to their rightful owners. He pointed out that right now, there are a number of unclaimed articles in the local RCMP office and these cannot be returned because the rightful owners have failed to report them missing or are unable to identify them.

A final note of warning from the police urges the public to be especially on guard, now that Christmas shopping is in "high gear," because there is nothing more inviting to petty thieves than the back seat of an unlocked car filled to overflowing with Christmas gifts. Staff-Sergeant Roy concludes his memo by warning motorists not to leave their car unattended or unlocked at any time.

Citizen of Year

much moved at this unexpected honour. Chamber President, Gerry Belke called on Mayor Ray Gibbon to make the presentations. "It is a tremendous honour to be able to present this trophy to one of the most deserving individuals I have met in my lifetime," said the mayor. "Ed is a community worker in the best sense of the word."

"Thank you, my best friends," said Mr. Savoie. "This is so wonderful, I am short for words. In my life - thinking back - it is my mom and dad who deserve this."

Back in my childhood there were ups and downs in our family. We lost mother when I was 10 years old. Dad was hauling coal from 5 a.m. till 9 p.m. and I became the cook. There was no gas or anything - fires were started from scratch with paper. Nobody to make bread - sometimes it was four or five days old and sometimes we had milk and bread for breakfast, milk and bread for lunch and milk and bread for supper!"

He recalled some amusing incidents and other difficult times for the family - "And then dad met our mother and she came with her two girls to our home. We were so thankful - and she was so wonderful!"

Ed went on to speak of early baseball times - especially the year his team won a tournament in Edison and \$35.00 thanks to the great pitching of Eddie Roland.

Speaking of the thrill it was when he won the Truck Rodeo in 1960, he told of a conversation with the Deputy Minister of Highways in Ontario, at the award dinner. The minister had years ago been stuck on the road near St. Albert on a bitter winter night and a trucker had, with much difficulty, pulled him out. Ed Savoie was the trucker! "There were 5,000 at the banquet - it was a big thrill!" he said.

In 1962 Ed suggested some rule changes for the Truck Rodeo and was accused of changing them after his win. So he bet \$50 and said he'd enter the '62 Rodeo in Calgary. Then he worried that he would lose both the \$50 and the title - but he won. "It was just a day when I couldn't do anything wrong."

He spoke of other hard times - helping put out a fire when some of the family burned - finding a good friend caught in an auger.

"There are many times when you wish you could do more."

"This is one of the most enjoyable and wonderful nights of my life," said Mr. Savoie - "as for helping people - that is what I want to do."

Following the plaque presentation to Mr. Savoie, Citizen of the Year Chairman, Jim Oliphant introduced Ed's parents, Mr. and Mrs. Joe Savoie and asked them to stand. They were given a hearty round of applause.

Ernie Jamison, M.L.A., also congratulated Mr. Savoie, who he felt was an excellent choice and well deserving of the honour. He congratulated the Chamber as well on a fine project, which he hoped would be continued over many years to come.

Residents Will Welcome These Christmas Lights

Three traffic lights are being installed on St. Albert Trail at the Hebert Road, Ball Avenue and Sturgeon Road intersections, under contract with Edmonton Power.

They are fully activated units with a left turn arrow and adjust automatically to volume of traffic.

They will be operational as of December 23, and a welcome addition indeed to St. Alberts "Christmas Lights," for safety reasons as well as relief from the frustration of residents trying to enter the highway at these points.

Prior to December 23 the new units will operate for two days on flashing amber, so that drivers will get accustomed to the new traffic light locations.

Mayor Gibbon reports that with the traffic lights

installation Mr. McMurray of Western Bus Lines has agreed to re-instate two-way bus traffic within St. Albert. It will take about a month for new routes and schedules to be drawn up, so the added service will probably begin January 2nd.

Town of St. Albert

PUBLIC NOTICE

(SECTION 311 OF THE MUNICIPAL GOVERNMENT ACT)

TAKE NOTICE that the Council of the Town of St. Albert, in the Province of Alberta, has given first reading to money By-Law No. 34/72 which will, on final approval and ratification, authorize Council to borrow monies by way of debenture, to pay for the cost of Machinery and Equipment as follows:

Industrial Tractor and Loader and Blower	\$ 7,000.00
4 only 1/2 or 3/4 ton trucks	\$14,000.00
1 only three ton truck	\$10,000.00
Rescue Vehicle	\$ 4,500.00

The estimated total cost of the aforesaid machines amounts to \$35,500.00. After deducting from this cost the amount of nil, to be received by way of grants/contributions/revenue funds/donations, etc., the net amount to be borrowed on the credit and security of the municipality at large by the issue of debentures is \$35,500.00. The debentures are to be repayable to the bearer in five (5) equal consecutive annual instalments of combined principal and interest, the interest not to exceed a rate of more than nine and one-half per centum (9 1/2%) per annum.

NOTICE THEREFORE is hereby given by the Council of the Town of St. Albert that, unless a poll of the proprietary electors for and against the said debenture borrowing is demanded, as provided for by the terms of The Municipal Government Act, the said Council may pass the said By-law and submit it to the Local Authorities Board for final ratification and certification that a vote of the proprietary electors thereon is not required.

OF WHICH all persons interested are hereby notified and they are required to govern themselves accordingly.

NOTICE TO PROPRIETARY ELECTORS

A proprietary elector is -

- (1) a person whose name appears on the assessment roll in respect of land liable to assessment and taxation for general municipal purposes, and
- (2) a person who is liable on or after January 1st, 1972 for the payment of a mobile unit licence.

Five per cent (5%) of the proprietary electors may by petition request a vote on a money By-law under the provisions of Sections 311 and 7 of The Municipal Government Act.

1. The petition must be received by the municipal secretary within 15 days of the last publication of this notice and shall contain on each page an accurate and identical statement of the purpose and objectives of the petition.
2. Each signature to the petition shall be witnessed by an adult person who shall take an affidavit that to the best of his belief the persons whose signatures he has witnessed are qualified to vote at a general election.
3. There shall be set out opposite each signature on the petition -
 - (a) the legal description of the property or other qualifications entitling that person to be a proprietary elector,
 - (b) the postal address of the petitioner,
 - (c) the occupation of the petitioner.
4. A corporation or a religious organization or an estate, the name of which appears on the last revised assessment roll as the owner, conditional owner or purchaser of land that is not exempt from taxation, may in writing authorize a resident representative to sign a petition on behalf of the corporation or religious organization or an estate.
5. The petition shall be filed with the municipal secretary who shall, in accordance with the Act, compute the number of petitioners that have signed the petition and determine the sufficiency thereof.
6. Every petition shall have attached to it a signed statement of a person whose name appears upon the petition, stating that he represents the petitioners and that he is the person to whom the municipality may direct any enquiries with regard to the petition.
7. No name shall be removed from the petition after it has been received by the municipal secretary.
8. If two or more money-by-laws are advertised in a single notice, a separate petition shall be filed with respect to each by-law.
9. The date of the last publication of this Notice is November 29, 1972.

Speaker Sparks Dialogue On Learning Disabilities

Guest speaker at the last public meeting of the Surgeon-St. Albert Association for Children with Learning Disabilities was Mrs. Gail James who spoke on behaviour problems and home management of children with learning disabilities. The problems of hyperactive children were also dealt with. Mrs. James is a social worker with the Edmonton Public School Board and deals extensively with learning disabled children. Her work often involves her with the family of the child as well as the child to help gain the understanding and acceptance so necessary for the emotional well being of the child.

Mrs. James placed great emphasis on the quality of communication within the family which often breaks down in the home with a 'different' child - one who is frustrating as well as frustrated, misunderstood, and sometimes mishandled. Considerable dialogue

took place concerning expectations for the learning disabled child, structuring situations, decision making, and a host of other questions raised by concerned members of the audience. Some very critical points were raised during the discussion period which indicated the need for greater exchange of information which might be accomplished by informal get-togethers of mothers during the day. Anyone interested in sharing experiences over a coffee please contact Ruth Wilson at 599-7432.

The baby pigeon was fearful of flying. "We have to go south," argued the mother pigeon.

"I'm afraid," cooed the baby pigeon over and over again.

"No need to be afraid, I'll put a string around your foot and tie the end of it to my foot. You'll be safe."

"No!" cried the baby pigeon. "I refuse to be pigeon-towed."

The Hon. Lou Hyndman will be guest speaker at the forthcoming Edmonton Association for Children with Learning Disabilities meeting of December 4th, at 8 p.m. in the Glenrose Hospital Auditorium, 10230 - 111 Avenue. He has agreed to attend, not for the purpose of making a speech, but to obtain information and opinions on what is needed and should now be done in the Learning Disabilities field in Alberta. Any interested person is welcome to attend.

Great program for band concert Thursday night

The 75-piece University of Alberta Concert Band will perform a Christmas concert Thursday evening at 8:00 at Sir Alexander Mackenzie School.

Among the works featured will be Overture in C, written in 1793 by Charles Cotel, Midnight in Paris, and Bombasto and OH Them Besses marches. The Christmas spirit will be stressed with such numbers as The Spirit of Christmas, A Song of the Bells, and The Parade of the Wooden Soldiers.

However, the highlight of

the program will be the performance of Adagio and Tarantella, a work which features clarinet soloist Randy Bain.

Mr. Bain is currently working in the Bachelor of Music program at the University of Alberta. He has studied under Ernest Dalwood, principal clarinetist of the Edmonton Symphony Orchestra, as well as having played in the Edmonton Youth Orchestra and the U of A Wind Ensemble.

Keep Thursday evening free for an exciting evening

of music. Tickets will be available at the door. Concert time is 8 p.m.

Senior Citizens Enjoy Delightful Program By Father Jan Group

The Senior Citizens were delighted with the entertainment provided at their gathering in the Community Hall last Thursday, by the Father Jan School mixed choral group.

Under the direction of John Kaminski, principal, the choir sang several fine

selections, ending with two Christmas Carols: Holy Night and I Wish You a Merry Christmas."

Gary Wescott gave a fine rendition of "Put Your Hand in the Hand of the Man from Galilee."

Directed by Mrs. Kaminski, the students put on a skit entitled "French Restaurant." This comedy farce was extremely amusing and greatly enjoyed.

The Senior Citizens thanked Mr. and Mrs. Kaminski and the students for their happy afternoon.

Protests Tax

The Editor:

I am writing regarding the recent decision of the Town of St. Albert to levy supplementary taxes on new buildings completed during the year. This brought home to me for the first time the helplessness of an individual in dealing with a Government. The St. Albert Assessors' Department has assessed me taxes from July through December, 1972, yet my legal possession date was September 8, 1972 with the home still incomplete, and the criteria for tax liability is completion or possession, whichever comes first.

I have, of course, lodged notice of appeal, but this I am told could take some time, and is arranged at the convenience of the Town Hall. Also, contrary to the basis of law on which our country is built, I was told by a Town Official that it is up to me to prove that I am not liable for the taxes, and not for the town to prove that I am.

In the meantime, I am told the taxes must be paid or there is an eight per cent penalty charged after 31 days plus another eight per cent on any taxes unpaid on December 31st. Since there were only 42 days to the end of the year from the date of my tax notice, this works out to an equivalent annual rate of interest of 77 per cent, enough to make a loan sharking operation look legitimate by comparison. It would appear that the maximum interest rate controlled by law applies to everyone but Governments. The alternative to paying this exorbitant rate of interest

is to pay the taxes which are not due, pending the appeal which could take months, and if the appeal is successful, in all likelihood the overpayment would not even be refunded but credited to next year at no interest or discount.

I think the new Progressive Conservative Government in Alberta, when they drafted their much vaunted Bill of Human Rights, would have done better to do something about protecting the rights of individuals in their dealings with the various levels of Government.

J. G. McKelvie.

More On Tax

The Editor:

Retrospective taxation is as wrong as retrospective punishment. Everyone is entitled to advance knowledge of the rules under which they operate.

I have no objection to the principle of supplementary assessment, only to making it retrospective. If we had known when we bought that we would be subject to this situation, we could have planned accordingly.

We could also have decided whether or not the effect of this added cost of our home in the year of purchase was a determining factor in our decision on location. We have no choice as the situation now exists, it is a circumstance which violates all principles of just stewardship and fairness.

It is not in keeping with Democratic process as we understand it. Taxation without representation and human concern is anathema.

Drive & Drink? Stop & Think!

Most of us like to entertain and be entertained.

Sometimes we stop for a drink on the way home from work or we go to a friend's house to watch a hockey game on television and have a few drinks.

Occasionally we have our colleagues from the office

Besides being unfair, unjust and untimely, the method of presentation is misleading in that the assessment notice is not easily convertible to dollars by the average taxpayer.

Gentlemen, I urge you to amend the supplementary assessment bylaw by making it non-retroactive. Let everyone provide for the future knowing the rules. Show the taxpayers that our representatives are fair and that there need be no fear of back-stabbing rule changes in mid-game.

Kenneth & Leslie Leitbel.

out to the house. Or we may have a party for the bridge club or a family gathering.

If you drive after drinking, here are the facts:

The social drinker is one of the leading causes of automobile accidents in Canada.

Alcohol is involved in approximately 50 per cent of the fatal automobile accidents which occur in Canada. There are some 5,000 deaths and 175,000 reported injuries in traffic accidents every year. And alcohol plays a role in causing other types of accidents, in the home, when skiing, boating, in private flying and in many other activities. These mishaps bring the total accidental death toll in Canada to some 12,000, and the injuries to more than 1,000,000. The economic loss from accidents is estimated at two billion dollars.

Bruins Hand Bearcats First Loss Of Season In Fast Junior Action

CRAG NEESER
... hat trick

JIM EDWARDS
first goal of year

St. Albert Bruins Junior Hockey Club behind the three goal performance of Craig Neeser upset league leading U of A Bearcats 10 - 7 Sunday afternoon in St. Albert. The loss was the first in eight games for the Junior Bears. The exciting Bruin victory was their third in a row and they are now undefeated in five games. St. Albert outscored the Bears five goals to two in the third period to pull off the upset.

Morinville product Marcel Tourangeau gave the Bruins a 1 - 0 lead at 2:11 of the opening period. Jim McComb and Kelly McAvoy drew the assists. Nine seconds later Bruins went ahead 2 - 0 on McComb's goal with McAvoy and Darcy Bilson assisting.

Bearcats Dave Vinge scored a power play goal at 8:31 while Tourangeau was sitting out a ruffing penalty. At 10:43 Bearcats tied the game and with less than two minutes to play, Randy Phillips put the Bearcats ahead 3 - 2. McAvoy was sitting out a cross-checking infraction when the Bearcats scored.

With only a minute gone in the second period, Jan Kristensen took a perfect pass from Doug Ferguson and scored from about 15 feet out to tie the game. At 3:02 Bearcats took advantage of a defensive lapse by the Bruins and Randy Phillips gave them a 4 - 3 lead. Bruins Dave Lockhart took a ruffing penalty at 3:40 and Bearcats applied pressure and scored their fifth goal, nine seconds after Lockhart's penalty expired. Bearcats picked up an interference penalty at 6:17 and allowed the Bruins power play to go to work. Craig Neeser made no mistake blasting in a shot from the slot with Ferguson and McComb drawing assists. Ray Gauthier stole the puck in the Bearcats end zone and after 6 - ST. ALBERT & STURGEON GAZETTE, WEDNESDAY, NOV. 29, 1972.

circling the net, tucked it behind Bearcat goaltender Bruce Holder. Gauthier's goal gave the Bruins a 5 - 5 tie at the end of two periods of play.

Bruin assistant coaches Ted LeLacheur and Larry Mitchell subbing for coach Rick LeLacheur who was out of town, must have given the players a good talking to as they came out flying in the final period. They allowed the Bearcats to take a 6 - 5 lead on John Kuzbik's goal at 2:19 while Tourangeau was off for slashing.

Craig Neeser scored his second goal of the afternoon at 3:51 with linemates Ferguson and Kristensen assisting. Bruins then ran into

two unnecessary penalties with Ferguson going off at 8:25 for elbowing and Kristensen for ruffing at 9:03. Bearcats with a two man advantage made no mistake and took the lead at 9:50. Bruins fought back and at 12:03 McComb shot the puck to Jim Edwards at the point and his drive found the mark to tie the game. Two minutes later Neeser rounded out his hat trick making no mistake on a break-away. The goal was unassisted and proved to be the winner.

Bruins Dave Lockhart who is probably the league's fastest skater, out-raced two Bearcats to a loose puck and scored a beautiful goal at 17:58. Lockhart scored an identical goal in the Bruins' last game.

U of A took their goaltender out with a minute and 40 seconds to play, but the move backfired as McComb slid one into the open net at 19:47 to complete the scoring.

Bruin goaltender Brad Rix played a very steady game in goal stopping three or four clear-out breakaways.

Bruin's next home game will be Tuesday, December 5th when the Fort Saskatchewan Traders come to town. Bruin's play in the Fort this Saturday night at 8:30 p.m.

New Tactics Paying Off Comets Lead Senior League

The Willowbrook Comets new look is paying dividends and their 5 - 2 win Sunday night over Stony Plain Eagles gave them a 5-1 record in the Edmonton Central Hockey League. Their only loss came last Tuesday to the Westlock Eagles.

Coach Gary Checknita has all but eliminated the old rough-house tactics and has his troop playing heads-up hockey. Fans are responding to the fast, clean action and this should be the biggest year yet for the team.

In the Westlock game Wayne Rimmer led the Eagles with two goals for their 6 - 3 win. Jim Read, Al Laplante and Rich Perrault scored for St. Albert.

In Sunday's game the Comets had little trouble with the Eagles and the 5-2 score was actually flattering for Stony. Comets could have scored on six of seven more occasions as they repeatedly walked in on Stony goalie Wally Westlock only to be foiled or miss the net. Jim Read, scored only his second goal of the year, gave Comets a 1 - 0 lead at 1:28 of the opening period with Kirkland assisting. Stony tied the game at 9:19 when Ed Stokyo slid one past Comet netminder Zane Jacobue.

In the second period Comets scored two unanswered goals to take a 3 - 1 lead after 40 minutes. Doug Bell put St. Albert ahead 2 - 1, banging in a pass

from Wally Monson and Jim Jones. The goal came at 16:09 and at 17:31 Kirkland found the range with an unassisted marker for the 3 - 1 lead.

The Eagles came back in the third with a goal by George Matsuba at 4:49 and then evened the score at 10:28 when Bayden Robinson scored.

Comets didn't take long to regain the lead as Captain Ted Rogers capitalized on a pass from Henry Hodgson. Rogers' goal was the winner and 28 seconds later Kirkland scored his second of the night with Monson and Hodgson setting the play up. The game was cleanly played with only six minor

penalties called. Stony took four of them.

Comets are continuing to play an excellent brand of senior hockey and now that the football season is almost finished, there isn't a better way to enjoy an evening than taking in a Comet game.

Next action goes Thursday at Barrhead, Game time 8:30 p.m.

Barons Upset By Westlock

St. Albert Sportshop Barons midget team didn't fare to well over the weekend, taking a 6 - 1 thumping from Westlock and then breaking even with the Fort at 4 - 4.

Thursday's game in St. Albert saw the Barons take a 2 - 1 first period lead on goals by Darrell Billsten and Bob Wallis. Fort outscored the Barons 2 - 1 in the second with Matt Lister scoring for St. Albert. Both clubs scored once in the

final period with Terry Kelsner giving the Barons a 4 - 3 lead. Dave Hathaway with his second goal of the night gave the Fort the tie.

Saturday night in Westlock the Barons scored the first goal of the game and from there on it was all Westlock's as they scored six straight goals. Matt Lister scored St. Albert's lone marker while Cal Atkins had a hat trick for Westlock.

St. Albert Oldtimers were in a jubilant mood Sunday morning after having won their second straight K of C Invitational Tournament with a 6-3 win over Calgary. Roger's Esso trophy is in the foreground. From left to right, front row: Bernie Levasseur, Maurice Despins, Clarence Mistal, Ed Rechlo, Bernie Alain, Noel Meunier, Maurice Chabot, and Bob Pampu (assistant coach). Backrow, left to right: Paul Billodeau, Ray LaFrance (coach), Art Martineau, Grant Laughy, Bernie Jubinville, Richard Adamkiewicz, Tony Deschenes, Al Alain, Sylvio Joly, Pierre Joly and Arnold Langre (trainer). Missing from pic is Rene Morrisette.

St. Albert wins K of C tournament

The St. Albert Knights of Columbus Oldtimers Hockey Club won the K of C Alberta Invitational tournament for the second straight year with a final game 6-3 win over the Calgary squad.

The Roger's Esso Trophy for first place was presented by Mrs. Rachel Caouette, wife of the sponsor, to St. Albert coach Ray LaFrance.

Calgary received the Runner-up Trophy presented by Laurier Regimbald of Reggies Hardware.

The Sir Arthur's Steak and Pizza Trophy for the Most Valuable Player went

to starry forward Pete Van Brabant of the Legal team.

St. Albert had no trouble in retaining their championship as they posted an 8-0 win over Stony Plain in their opening game and then shut-out Bonnyville 4-0 in the second to put them into the final. In the Stony Plain game Noel Meunier scored three goals while Paul Billodeau added a pair.

Bernie Jubinville scored a pair in their semi-final win over Bonnyville with Meunier and Clarence Mistal adding the others. Bernie Alain was a standout in goal, getting both shut-outs.

In the final game St. Albert scored four first period goals and never looked back. Paul Billodeau, Art Martineau, Clarence Mistal and Maurice Despins scored in that order. Calgary came back in the second with two goals but were outscored 2-1 in the final period. Martineau picked up his second, and Bernie Levasseur added the final goal. St. Albert coach Ray LaFrance would like to thank all participating teams and players and fans who helped support the well run tournament.

3 Games This Week In Commercial Play

St. Albert Esso (Teachers), sponsored by Roger's Esso and Grandin Esso stations, scored their fourth win in a row with an easy 6-2 win over Kinsmen Warriors last Wednesday night.

Esso took a 2-0 first period lead on goals by Jake Joly and Joe Laplante. Kinsmen speedster Jamie Burton scored both goals in the second period while Len Bracco counted for Esso for a 3-2 lead after two periods. Esso marksmen Terry Wisninski, Fred Hoerber and Dan Bowmeister scored in the third for the victory.

In Thursday's game St. Albert Pharmacy scored three goals in the third period to come from behind and defeat Premier Esso 5-4. Premier took a 3-0 lead on goals by Keith Switzer, Calvin Swain and Bill Glendening. Dave Roberge put Pharmacy on the score-sheet early in the second period but a goal by Fergy Evans put Premier ahead 4-1.

Guy Bougeois got one back for Pharmacy to bring the score to 4-2 after two periods of action. In the third, Vic Roberge potted a pair and Dave Roberge scored the winner for Pharmacy.

Jamie Burton and Bob Thorpe scored three goals

each as the Kinsmen Warriors handed Belcourt Power Kegs a 5-3 loss. St. Albert Esso 5-3 loss. It was Power Kegs fifth straight defeat, Dave Kerr, Dick Peabody, Walt Balby, Darrell Knox and Bill Mills scored for Belcourt.

Warlords Win Exhibition

Kinsmen Warriors came from behind a two goal deficit to score a 6-2 win over Edmonton Insurance Adjusters Sunday morning in Stony Plain.

Terry Moore and Ed Rus-

nak led the way with two goals each while singles went to Wayne Rissling and Gordon Killeit. Norm Tate played a strong game in goal for the Warriors.

Minor Hockey Season Off To Flying Start

The 1972-73 minor hockey season is underway for what has all indications of another banner year.

In opening action in the mite division, you can be sure what they lack in finesse, they make up in spirit.

In mite A action, it was New Holland Combines going against the Vikings, with the Vikings edging the Combines 3-2. In other action the Hornets downed the Saints 5-1. Still in mite A play, the Nuggets edged out the Warriors 7-0.

Turning to mite B play, it was the Mustangs downing Sir Arthurs by a score of 4-2 in an action packed game. Still in mite B action, Sturgeon Electric Colts squeezed by Klondike Inn

Hustlers 2-1. The Dairy Queen Braziers battled their way to a 2-1 victory over the visiting Hawks in their battle played at the arena. In another mite B game it was a see-saw battle between the Quakers and Warriors who had the decision in the balance right till the final whistle. The Warriors eventually came away with the win by a narrow decision of 1-0.

Moving up to some of the bigger guys in the midjet division it was the home team Broncos over the Hiawathas by a score of 5-1.

There was one game played in bantam A action which saw the Seals down the North Stars in a close game of 5-3. This game saw seven penalties handed out.

Its clear right from the outset this is going to be a real good year again for St. Albert Kinsmen Minor Hockey.

Books Were Beautiful

Young Canada's Book Week came and went with a bang last week as hundreds of local boys and girls attended special library events oriented Book Week Contests. The week began with the Preschool Story Hour final party. Over 50 preschoolers both on Wednesday afternoon and Friday morning had a lemonade-and-cookie party, while over 20 mothers attended the book talk on roles in children's literature given by Maureen Scobie.

Wednesday after school there were over 200 in attendance at the puppet show, "The Shoemaker and the Elves." Thursday a throng was entertained by ventriloquist Jack Oldfield and his dummies Joe and Jerry. An hour of films was the Friday highlight and enjoyed by all. Then Saturday morning about 20 keen story tellers entertained in the library and before a video tape camera. Thirty stories, poems, skits and songs

were recorded and played back on video tape on Monday.

Monday also saw the announcement of the winner of the Young Canada's Book Week Story Writing Contest, Jeanne Kathol, Jeanne's story, Harvey's Hiccup, will be published and distributed by the library. Over 125 excellent stories with illustrations were submitted by local boys and girls and judging was in-

deed a difficult feat.

So thanks to good participation the library's celebrations were a success. The library took the opportunity to launch its collection of quality children's paperbacks and to publish several booklets aimed at helping parents purchase good children's books for this Christmas. These lists are free and available at the library.

No. 3 Board Reviews Classroom Needs

At last Wednesday night's meeting, the Board of St. Albert Public School System met with principals of all four schools to discuss curriculum policies as well as other internal matters relating to enrolment and classroom space.

Newly-elected chairman of the board, Don LaBelle led the board into discussion with public school principals regarding a re-evaluation of need for more classrooms. Chairman LaBelle announced, prior to the discussion period, that the Department of Education has acknowledged the Board's certificate of need but before approval is received for a building permit, a more thorough study of classroom requirements will have to be made.

While negotiations are continuing with the Depart-

ment of Education regarding the Board's application for a new school, evaluation of the entire Public School System facilities will be made in order to definitely assess whether a new school is indeed required or if the system can get by with present facilities.

In co-operation with other school systems in the area, Christmas School Holidays will start December 22 and classes will resume Monday, January 8, 1973.

Sales of after-shave lotion and cologne are reaching an all-time high. Which proves that everybody loves Father, but nobody likes the way he smells.

Local Man Attends Christian Science Conference

More than 130 Committees on Publication from six continents attended a five-day conference (Nov. 13-17) at the new Christian Science Centre in Boston, which serves as the international headquarters for the denomination.

Alex Pettigrew of St. Albert participated in the conference, which is held every two years.

"The new Centre is striking evidence of the growth of Christian Science. The Centre is the first truly international headquarters for the Church of Christ, Scientist, throughout the world," said Mr. Pettigrew, the Committee on Publication for Alberta.

Christian Science Committees on Publication are located in more than 50 countries. Each Committee is a committee of one, serving as a spokesman for the Church of Christ, Scientist, in his area.

"The Higher Mission of the Christ-Power," the theme of the conference, was developed through displays, panel discussions, addresses, and audiovisual presentations.

Alex Pettigrew has served as Committee on Publication since October 1969.

Alex Pettigrew, Christian Science Committee on Publication for Alberta, recently returned from a five-day conference at The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts (in background). More than 130 Committees on Publication from six continents attended the conference (Nov. 13-17), which explored new developments in religion and communication.

Noted evangelist coming to Elim

The Reverend Fred Hunter, who will be conducting services at Elim Pentecost-

al Chapel at 8 p.m. each evening from Tuesday through Friday, and again on Sunday, is a widely travelled evangelist.

He has worked and travelled with "Underground Evangelism," an organization whose objective is getting Bibles into Russia, and he also has served in the West Indies as an evangelical missionary.

The Reverend Hunter's experience includes serving as pastor of churches in B.C. and Saskatchewan and trans Canada evangelical tours. His services this week at Elim Chapel are open to everyone.

Judge: "How do you plead to the charges against you?"

Prisoner: "Maybe I'm guilty and maybe I'm not, but just to make sure, let's wait till the trial is over and find out."

ST. ALBERT RECREATION HIGHLIGHTS

TEEN ACTIVITY NIGHT:
The Thursday sports night for teens in St. George Simpson School was well attended last week.

Unfortunately parents did not respond to the request for volunteers to supervise the activities. Under the terms of the Joint Use Agreement adequate supervision MUST be provided and unless this assistance is forthcoming, the young people will not be allowed into the school on Thursday

and the sports night will be cancelled. This would be most regrettable but, parents, it is up to you; they're your children. Phone Mr. or Mrs. Wright at 599-7572 (evenings) or the Department of Recreation at 599-6601 and volunteer your services if your family is involved.

ARTS & CRAFTS:
Don't forget the annual pot sale - Friday, Dec. 1st at 7 p.m. in the Clubhouse. **POWER SKATING:**

A new club was formed at a recent well-attended meeting and will be officially in existence at the end of the present session of lessons.

Registration will take place on Saturday, Dec. 9 from 10 a.m. - 12 noon. The location will be announced in this column next week.

RECREATION ACTIVITIES
Announcements about recreational activities being carried on in St. Albert appear in this column through

the courtesy of the Editor. It is, however, impossible to mention them all each week. Information can be obtained by phoning the Department of Recreation at 599-6601.

A doctor asked his friend: "Did your wife lose much weight when I put her on that diet of bananas and coconuts?"

"Barely two pounds," the husband replied. "But you ought to see her climb a tree."

St. Albert High Girls Win Zone Volleyball

St. Albert High has done it again for the second consecutive year. They are sending their girls' volleyball team to compete at Camrose in the provincial playoffs being held this weekend. Last weekend, the girls and boys competed at the zone playoffs in Athabasca and the girls were victorious. The other girls' teams were Stony Plain,

Westlock and Edison. The team consists of: Linda McGillis, Shirley Bokenfor, Lorna McGillis, Faye Brennels, Darcel Brennels, Carmen Gibeau, Tish Sopchuk, Wendy Sopchuk, Gail Hermanutz, Maggie Bourgeois, Sandy Willas and Cathy Medland. Their coach is: Mrs. Marchand; assistant coach: Mrs. Stoutenberg.

Mrs. Bill Hollands (a sister-in-law of recently elected Dan Hollands) and George Hollands enjoy a visit over Doris (Hollands) Harvey's scrumptious chicken pastries. You guessed it - a Hollands family gathering, to give George, a visitor from North Bay, Ontario a chance to see his relatives last Friday evening. Photo was taken by Ernie Jamison, who got in on the party as an old school friend of George, who grew up in the Highlands district of Edmonton. Otherwise it was strictly Hollands and spouses at the Brad Harveys.

Canadian Artists well represented on cards

Eight Canadian artists are represented on this year's UNICEF greeting cards, more than from any other country.

Fine Eskimo artists from Cape Dorset are included in this selection as well as graphic designers John Elphick and Allan Fleming of Toronto, and Ottawa artist Alma Duncan.

The UNICEF cards are on sale in St. Albert, Pro-

ceeds go to UNICEF health and education programs as well as emergency relief operations around the world.

Included in this year's group of cards is a series of fine designs from the Book of Kells, an Irish book of the New Testament written and illustrated in the Ninth Century.

UNICEF cards are available in St. Albert at 599-8359.

Museum Grant Plan Endorsed

During the 'New Business' segment of Town Council's regular meeting Nov. 20th, Mayor Ray Gibbon announced that the St. Albert Historical Society could qualify for up to 100 per cent of a federal grant, destined to enlarge and improve the present museum facilities by 7,200 square feet. Mayor Gibbon explained that the whole museum grant concept is one of chain-reaction of responsibility.

In qualifying terms of the federal grant, Mayor Gibbon pointed out that the federal government will only consider the application if it

includes a guarantee for maintenance of the complex from the provincial government and guarantee from town council for the salary of a curator.

The mayor qualified the town's responsibility as being any amount from \$1 to \$12,000, being the full annual wage of a curator. He also said that revenue from the new museum complex would probably more than pay the curator's salary, therefore the entire facility could be operational here in St. Albert at no direct cost to residents.

In making a motion that town council assume responsibility for the curator's annual salary, Mayor Gibbon was backed by a vote of 5 - 1. In registering his dissenting vote, Councillor

Bakker said he didn't like the prospects of the town being held responsible for a sum of possibly \$12,000 or more annually.

Scouts get taste of outdoor life

Twenty-five boys of 3rd St. Albert Scouts had a hike and outdoor cook-out Sunday Nov. 19, which was for the many new members, a trial run at outdoor living.

The boys, with Leader Al Barnes and assistants Doug Taylor and Don Horne, met at SAM School at 9:30 in the morning and hiked with their pack-sacks to the Girl Guide Camp, about 2 1/2 miles out on the golf course road.

At the site they broke into groups and made up a rough camp. Lean-tos were erected using sheets of plastic for cover and the boys were also responsible for building their own fire for the cook-out. The menu included steaks and a variety of dishes.

Before leaving a clean-up was carried out by the Scouts, who left everything in order as it was before their visits.

A good turnout of parents arrived about 4 o'clock to drive the boys home after the good exercise in getting accustomed to outdoor life and doing things for themselves.

Council Roundup

Three applications, submitting local projects for qualification under the Local Initiatives Program were approved by Council Monday night at the regular meeting. Town staff will proceed to file necessary application forms, now that the following projects received approval for referral: a Town Public Works Building complex, estimated at \$150,000; a skating rink facility in West Grandin at about \$30,000 and Mission Park Clubhouse, estimated at \$11,000.

Brief details of this matter could best be summed up this way: If the town can obtain the money for these projects . . . and if these projects qualify under the Local Initiatives Program where a portion of labor costs are paid by the federal government . . . these three projects will be given

the 'go-ahead'. At the moment, all three projects have been approved by council providing the various and sundry contingencies are met.

In an effort to qualify the "misnomer" relating to the tennis courts in a recent advertisement, it is felt that this proposed \$11,000 project should be correctly referred to as the Mission Park Clubhouse. Its location will be between the tennis courts and Mission Avenue. It will be a 24 ft. x 48 ft. clubhouse for the use of the general public.

Regarding the Lorne Development proposal (Club Mocombo property), council Monday held a public hearing before giving By-law 52/72 second reading. However, third reading of the by-law was tabled until a development agreement is drawn up.

Local Teachers Eye Overseas

Postings

Four members of the teaching staff of the No. 6 School District here have made application for teaching positions in Europe with the Department of National Defence.

On a motion by Trustee Jim Wiltshire and approved

unanimously, the following teachers were recommended for the Overseas positions for the 1973-1974 and 1974-1975 school years. They are: Mrs. Joan E. Pomfrey, Mrs. Edith M. Duckering, Mr. Victor H. Duckering and Mr. A. M. deFigueiredo.

Canadian teachers, once approved for Overseas duties may be posted to National Defence Dependents Schools in the Federal Republic of Germany, Holland and Belgium, where elements of the Canadian Forces are stationed.

Print Making Exhibit

Have you ever thought of making your own Christmas cards? It's cheaper than many fancy kinds, more personal and fun. And help is available on the how-to end of it.

The St. Albert Public Library has another display from the Department of Youth, Culture and Recreation on print making. The series of 16 colorful panels show and describe how to make a variety of prints from the simplest monoprint to the silk screen process. Examples of each are included in the display.

In addition the library has many books on all aspects of arts and crafts to make your holiday decorations new and different.

And if you are entertaining why not try a new recipe for something traditional or novel.

The exhibition on print-making will be in the library until December 6th.

Three by-laws were shot down Monday night following appeals voiced against proposed taxation of the Youville Nursing Home, the Royal Canadian Legion Hall and the St. Albert and District Community League.

In accordance with council's direction, by-laws 57, 58 and 59 were prepared. By-law 57 proposed to levy taxes against the St. Albert and District Community League for 1972 amounting to \$517.49; By-law 58 was drawn up to levy taxes against the Legion property, a sum of \$318.19 for 1972 and By-law 59 taxing the Youville Nursing Home -

\$13,290.74.

Strong opposition was registered in each case. After hearings were dealt with council voted in favor of a motion not to proceed with these by-laws thus leaving these properties immune from taxes.

This is a view of a model of Clover Bar Pioneer Court. The complex is four-stories high and equipped with an elevator. The oblong architecture resulted in making room for 42 pie-shaped suites, fronting on a spacious rotunda topped with a plexiglass canopy. Total cost came to \$600,000.00 and suites are priced from \$12,000 to \$20,000. Average monthly charges covering maintenance and services come to an average of \$30 per month. Visitors are always welcome.

Around Town

Gwen Law, supervisor of public health nursing at the Sturgeon Health Unit, reports that response to the request for volunteers to help with a Meals on Wheels program for St. Albert was quite satisfying. A meeting has been arranged for Dec. 6th for further planning. Meanwhile, anyone interested in offering their help in any way, or knowing of people in need of the service, may phone the Health Unit - 599-6671.

Nice to see June Leggett, popular Welcome Wagon hostess around town, back at work this week.

The Knights of Columbus

dinner and dance in the Community Hall Saturday night was a sell-out. Some people had to be turned away. Mauria Chabot reports that the out of town knights from Lethbridge, Calgary, Bonnyville, Legal, Stony Plain and Edmonton were offering compliments on all sides for the "fantastic meal" served up by the Community League women. One of the fellows on the Lethbridge team was a first rate comedian and put on a hilarious show. Henry Terrault, long time president of the Community League, commented that it was one of the most successful parties he has ever seen in the hall. The affair was held in conjunction with

the Knight's first annual invitational hockey tournament.

Better get over to the Arts and Crafts Centre, (behind Vital Grandin School off Sunset Blvd.) early on Friday night. The sale of pottery by local artists gets underway at 7 p.m., and it was a very popular event last year. It's a great place to find an "original" for the friend who has everything.

Ed Savoie became the fifth Citizen of the Year at the St. Albert and District Chamber of Commerce banquet and dance held Saturday evening. Present on this occasion were Doc Cuts, Lorraine Moore, Marcel de Champlain, previous Citizens of the Year. Father Ubald Duchesneau, last year's winner was unable to attend.

Lions Hear History Of Pioneer Court

The St. Albert Breakfast Lions hosted two members of the local Lady Lions, executive members of the Supper Lions Club as well as two guests Tuesday morning at the regular breakfast meeting. Guest speaker was Rev. D. L. Berry, minister of Salsbury United Church. Visitor was Lion Bill Webber, chairman of CARE projects.

After a hearty feast of bacon and eggs, Lion President Stan Shottland called for reports from various committee chairmen then introduced the guest speaker.

Rev. Berry, a former Lion who is contemplating renewal of his membership with the club at Ellerslie, gave a blow-by-blow report of the birth of Clover Bar Pioneer Court. Rev. Berry first explained that Clover Bar Pioneer Court, though built under the pseudo-patronage of the United Church of Canada, was in reality an individual Salsbury Church venture, spearheaded by himself and an original board of directors, numbering 23 members. To illustrate that all was not a bed of roses, the good reverend said only nine board members remained with him through the entire adventure. "When the going got tough," he said, "the others dropped out and scrambled away."

Clover Bar Pioneer Court today is a very viable community, enjoying 100 per cent occupancy of 42 modern condominium suites, designed for the ultimate in comfort and gracious living for retired people.

"We have no color or creed barriers," Rev.

Rev. D. L. Berry, minister of Salsbury United Church was guest speaker at the Breakfast Lions meeting Tuesday. Also shown at the head table are Lady Lion President Roberta Freethy seated next to Lion President, Stan Shottland. Foreground is Lion Bill Webber, chairman of CARE projects. Rev. Berry gave a very informative talk on the Clover Bar Pioneer Court, a condominium complex for retired people situated in the outskirts of Sherwood Park.

Berry said, "we don't even have financial guidelines for prospective owners of our condo-suites. 'Anybody can move into Clover Bar Pioneer Court' he says as long as they are willing to assume financial responsibilities and want to move in. He also revealed that the present 42-suite facility is not only all occupied but there's a waiting list and we're considering erecting another similar structure."

All local Lion members enjoyed Rev. Berry's talk, viewed attentively color slides and had many questions to ask of the energetic clergyman and manager of

the retired people's residence. A similar facility is being considered for St. Albert.

Citizen Questions Student Suspension

The Protestant Separate School Board, under the new chairmanship of C. Schroeder heard a complaint last Wednesday at the regular meeting from a concerned citizen who spoke against student suspensions.

Mr. Keith Easson of 18

Library

If you lose your way next time you are at the St. Albert Public Library, pardon us but we're blooming! Due to the rapid influx of books and patrons we find ourselves walled in. So the solution seems to be to push the walls out. And we are!

The staff work area is being enlarged and modified for easier maneuvering. The public area on the entrance level has been visually en-

larged with the removal of a decorative partition. In the lower level another public meeting room and book storage area is being finished. In view of the popularity of the existing meeting space this new room is much needed. In addition it will serve as a quiet study area for the public.

All these renovations should be completed by Christmas.

considered to be punishment, that the majority of students look upon such punishment as an enforced holiday and therefore, other methods should be considered. As an alternative, Mr. Easson made several suggestions as to just punishment rather than suspension and this included work details like washing floors, sweeping hallways and the such. Mr. Easson was most emphatic in his opposition to corporal punishment.

Chairman Schroeder advised Mr. Easson that the Board is presently awaiting a report from school administrators who are reviewing the entire discipline policy. "However," Mr. Schroeder said, "suspension under Section 146 of the School Act is the only authorized student punishment."

In an interview with Elmer Gish, superintendent of No. 6 School District following the meeting, he pointed out the finer points of the School Act relating to suspension of students. Mr. Gish explained, while referring to the Act, that any student is liable to suspension when guilty of unacceptable behaviour in school. He said that such cases are generally discussed by both, the principal and superintendent but that the suspension can be imposed by either authority. "If the case is more serious," Mr. Gish said, "a suspended term of more than one week is then referred to the Board."

SAM Student Wins Film Award

A local budding movie-maker was awarded a special prize of \$85 plus a certificate and medalion in the Canada-U.S.A. Kodak Teen-Age Movie Awards Contest this week. Carolee Milroy, 12 year old daughter of Mr. and Mrs. A. C. Milroy of 15 Searborough Place entered the contest early in July and has just been notified of her award.

Carolee used 10 rolls of 8mm color film in the production of her 9-minute movie entitled 'Too Cute To Shoot.' The budding artist designed a little man made of plasticine and used him in various settings according to her own script. She obtained help from Mr. W. Morasse of R.R. 2 St. Albert, a 79 year old friend who made the miniature fur-

nature used on the set.

"Too Cute To Shoot," during its 9-minute showing, tells the story of a would-be hunter who can't decide to pull the trigger on beautiful creatures of nature.

Carolee expects to have her film returned early in the new year, at which time she plans to show it in her audio-visual class at St. Alexander Mackenzie School where she is attending Grade seven.

No. 6 Board Studies Overcrowding Issue

Since enrollment at St. Albert's Separate Schools continue to increase, a number of classrooms are nearing maximum capacity and No. 6 School Board is presently looking at ways where additional pupils can be accommodated until the new Paul Kane School opens early in the new year.

In a report from School Superintendent Elmer Gish several suggestions were offered toward easing the impending problem. Of the several proposals, three seem to be more viable and these include: the conversion of the language laboratory at Sir George Simpson; modification of the former shop at Sir Alexander Mackenzie as well as partitioning its open area, and relocating the audio-visual room.

All these alternatives are being considered by the Board especially to relieve enrollment pressures at Sir

George Simpson's grades one, five and nine. It is therefore anticipated by the Board that soon as room is made available, it will be used to relieve pressures in these three grades on a district basis regardless of location. The Board is also looking into more busing demands in view of impending changes.

Awards Nite Held For S. A. Cub Pack

The 4th St. Albert Cubs Friday Night Pack held their annual awards night at the Albert Lacombe School on November 10. Attendance by a good number of parents indicated their interest in their sons' activities.

The evening opened with the Grand Howl, as does every Cub meeting. Helen Latta, Baloo, introduced Alf Garvin, district commissioner, Ron Moore, Baloo to be invested, Ken Samagalski, games leader and Sue Froese, assistant. Unfortunately the pack's Akela, Rick Latta, was unable to attend. The telephone committee, headed by Ireen Slater and including Bea Greaney, Joan Moore, Lili Eltzen and Darlene Bush, was introduced the thanked for its service to the group.

Ron Moore was then invested as a Baloo by the District Commissioner and accepted the Grand Howl from the Cubs.

Duane Eltzen, Russell Moore, Roger Moore, Craig Adlard, Sean Natrass, Scott

Natrass, Shaun Greaney and Paul Froese were invested by Helen Latta. They were welcomed into the Pack and received their red and white neckerchiefs and appropriate badges.

Awards were presented to the boys for their achievements in the 1971-72 season. The Best Six award went to the Red Six which was formed by Brent Harrison, Silver, Barry Neumann, Terry Lynch, Michael Hill and Randy Gault.

The award for Most Improvement went to Barry Neumann, the Sportsman award was presented to Brent Harrison. Receiving the award for Cub who most often remembered his Dues was Mark Samagalski and Best Attendance went to David Adlard. Because there were so many neatly attired boys last year, Uniform awards were presented to Wes Bush, Greg Eltzen, Michael Greaney, David Nielsen and Terry Lynch.

Merit badges achieved this year were then presented, David Nielsen re-

ceived his Music badge and Greg Eltzen received his House Orderly badge and his Artist badge.

Ron Moore presented the boys with their color patches and the Sixers and Seconders with the woggles indicating their positions in their Sixes.

Sixes this year are as follows:

Red Six - Brent Harrison, Silver, Randy Gault, Second, Scott Natrass, Terry Lynch, Duane Eltzen and Russell Moore.

Blue Six - Mark Samagalski, Silver, Bob Demulder, Second, Craig Adlard, Barry Neumann and Shaun Greaney.

Brown Six - David Adlard, Silver, Jim Bourassa, Second, Wes Bush, David Nielsen, Sean Natrass and Paul Froese.

Green Six - Michael Hill, Silver, Brad Slater, Second-

er, Michael Greaney, Greg Eltzen and Roger Moore.

Helen Latta expressed her thanks to Val Neigel who made it possible for everyone to be admitted to the gym as the school was to be closed that evening. Special thanks were extended to Ireen Slater, Sue Froese and Joan Moore for their assistance in preparing for the evening. The meeting closed with the Grand Howl.

Refreshments were served while Carl Gegodka instructed the boys on the use of his fencing artistry. The boys then put on a show of their version of fencing. A big thank you to Mr. Gegodka for his attendance. The boys were delighted by being allowed to use the equipment. Also, thanks to Doug Rosenberg, 4th St. Albert Sea Scout, for being our "Photographer of the Evening."

Hyndman outlines new three year education finance plan

Education Minister Lou Hyndman has announced the baselines of the government's 3 year financing program. He described the four principles, developed in Cabinet, that the new plan would follow:

In 1973 and subsequent years the instructional portion of the school foundation fund will be increased by up to 7 1/2 per cent. Increases in 1974 and 1975 will be related to fluctuations in the gross provincial product—some other index of economic productivity. The minister noted that the 7 1/2 per cent annual increment represented a government target in other social service delivery areas as well.

Instructional grants to school boards will be made on a per pupil basis. Per pupil grants and percentage increasing each year may vary in respect of "elementary", "junior high", and "high school" pupil categories. Because grants will not be tied to each individual student, instead of groups of 20 stu-

dents, some school boards may receive added funds. Under the old plan, remainders of less than 13 students received no grants. Other existing grants for such items as transportation and vocational programs will remain approximately the same.

In addition an Education Opportunity Fund will be established to help introduce and improve selected educational services and programs. Emphasis will be on those services and programs which either serve the unserved, or are of benefit to all Albertans. Selections will be according to government priorities with some reference to local expressions of need. Details and methods of payment will be announced early in the new year.

Controls over school board supplementary requisitions (funds raised from local taxpayers) will be retained.

The present plebiscite system, however, will be dropped.

Full details of the new plan, based on many of the recommendations of the Ministers Advisory Committee on School Finance, will be announced in January. Mean-

while the four major guideline approved by Cabinet are expected to provide school boards with information to plan next year's budget.

Explaining the shift to a per pupil grant, Mr. Hyndman said "Since costs are calculated on a per pupil basis, revenues should be paid in the same way. Group grants only serve to confuse the public and make educational finance more complex than it really is."

Asked to explain what sort of controls would be instituted to replace plebiscites, the Minister offered one alternative now being considered. He cited the "petition for a vote" method presently available to ratepayers under school buildings regulations.

"Under this method, if 2 per cent of the ratepayers sign a petition, a public referendum must be held to approve expenditures," said Mr. Hyndman. "This is only one of the options we are considering," he added.

Explaining the increases in foundation funds, Mr. Hyndman said, "Alberta now enjoys high quality education. We have one of the lowest teacher-pupil ratios in Can-

ada, some of the best school buildings and a convenient school transportation system. It costs money to maintain that quality."

Education is a labor intensive industry and labour costs are rising faster than other costs.

Asked how increased labour costs might be held in check while still maintaining the quality of education, Mr. Hyndman mentioned two possibilities.

"Differential staffing—a method which emphasizes division of labour, with payment by job level and specialty—could lower total labour costs," he said.

"Another possibility is the introduction of new ways of delivering education to students. Here, he added, "I am thinking about the greater use of media technology, such as that proposed for the Alberta Academy in the Worth Report."

Display cabinets in the crypt area of St. Albert Museum will receive new lighting fixtures thanks to a \$300 donation made by the Kinsmen Club of St. Albert. Above, St. Albert Historical Society President, Mrs. Arlene Borgstede accepts the cheque from Kinsman Rene Parenteau, who is also on the Board of Directors of the Society.

Many people lead their lives the way they watch TV. Even though the program isn't as good as they would like it, they are too lazy to get up and change it.

Outside a lecture hall of a university there is a row of hooks with a sign above, reading: Reserved for Faculty Members Only.

The other day someone wrote in this message just below it: "May also be used for hats and coats."

We just found out what happened to all those people who used to print the Lord's Prayer on the head of a pin. They've all been hired by gas stations to put in that third number on signs advertising the price of gas.

Some people's mouths work faster than their brains. They say things they haven't even thought of yet.

LAND seeking unwanted hides

Thousands of animal hides rot in the bush or in garbage dumps each year. Co-operation by hunters and groups working or hunting in wild game areas can reduce this waste of valuable hides.

The Indian craftsmen are skilled in the tanning of hides and production of high quality hide clothing, footwear and many other functional and decorative items.

This gives Indian craftsmen substantial economic returns and provides the markets with the above products which are in great demand.

The Muskwatchee Tannery at Hobbema will pay \$5 for a full mouse, elk or domestic hide; \$2 for half a hide and 75 cents for a quarter hide. They pay the freight. A full

hide may be traded for a pair of slippers if desired.

For information on hide collection points or storage areas, call or contact Mr. John Samson, Manager of Muskwatchee Tannery, Hobbema, phone 585-3750; Mr. A. Labourene, Mr. A. Bromfield or Mr. Walter Hills at the I.A.N.D. Regional Headquarters, 27th Floor, CN Tower, Edmonton, phone 423-3927; the local Fish and Game Association or any Indian Band Office or Native Friendship Centre.

It is necessary to call 423-3927 before shipping to Indian Affairs and Northern Development to be sure of the storage point as the present freezer may have to be moved. It is now located at 10007 105A Avenue, Edmonton.

Dental Health

TREATING THE HANDICAPPED:

The dentist must know that the patient is handicapped well in advance of any appointment and he should be briefed on the patient's medical background. The dentist should make his own examination as well as rely on information from the patient's physician.

The doctor will have a good idea how much dental stress can be tolerated and will advise the dentist on various drugs and procedures that the patient cannot take.

Many mentally retarded and physically handicapped persons can be treated in a dentist's office. Others, however, need a general anaesthetic merely to be examined and may have to be treated at a hospital as an out-patient.

Close co-operation be-

tween dentist and physician is needed when an epileptic is involved. Anti-convulsant drugs may have to be administered.

Cardiac patients must be careful of even the smallest infections. Those with a history of rheumatic heart disease should receive an antibiotic before any oral surgery is undertaken.

Arthritic and cerebral-palised persons often don't have the muscular control to sit quietly. Where treatment can be given without a general anaesthetic, the physician can also be of much help in treating the apathetic aged or chronically ill.

Even the allergic patient should tell his dentist about his medical history. He may get strong reactions to such things as certain anaesthetics and filling materials.

Brother Andy of the St. Albert Historical Society proudly displays a framed photograph of early St. Albert, being offered as first prize in the Logo Contest currently in progress. The Historical Society is soliciting for entries of logo designs suitable for use on Historical Society stationery. Cash prizes of \$10 will be awarded to the winners in each of the three classes, namely Grades 4 - 8; 9 - 12 and open. The above historical framed print will go to the best entry of the three classes. Contest details are available at the Town Hall, Jim Byrne's Men's Wear. Entries must be submitted to Mrs. Renee Laird, secretary of the Society, Town Hall.

Kids will love "Greensleeves" - grownups too!

In a land that might be anywhere, on a day that might be any day, everyone is miserable.

The king is sad, the queen is sad, in fact all the people in the kingdom are unhappy.

And the wicked grand duchess is super-wicked. Then into the land strolls Greensleeves -- singing,

dancing and laughing.

The wicked grand duchess is absolutely furious and the sparks begin to fly.

Police-Media Holds Open Forum Parley

Men and women of the press were guests of the RCMP recently at "K" Division headquarters in Edmonton. The occasion was initiated by the RCMP in an effort to discuss mutual concerns regarding the existing cordial press-police relationship.

Held in the open forum format, the two-hour discussion session allowed the 50-plus participants plenty of time to air views, ask questions and propose policies intended for future study.

Strategically located around the meeting hall were RCMP detachment commanders and headquarter staff who rubbed shoulders with members of the daily and weekly media. Everyone present had something to say and said it. There were a few beads from both elements, but by and large, the tone of the meeting was friendly and constructive.

V. M. Seppala, assistant commissioner commanding "K" Division was chairman of the RCMP-Media Forum. In his brief address of welcome, he told the visitors that as times change so do policies with the RCMP. In this remark, he made direct reference to a policy which now gives detachment commanders more freedom to mingle and dialogue with the press and the public. He

remarked that at one time in the past, detachment commanders were instructed to clear press releases through divisional headquarters.

"Now," he said, "we are extending more flexibility with our detachment commanders, who, we feel, are well qualified to act in a liaison capacity in their own area of command."

After the business session ended at 3:30, all visitors were given a tour of the police facility followed by a reception held in the police mess where light refreshments were served.

Present from St. Albert were Staff-Sergeant Jack Roy, detachment commander here and Cpl. Baril of The Gazette.

Petrie - Rutz Wedding

A wedding of interest to relatives and friends in St. Albert, Morinville and Calahoo, took place in St. Luke's United Church, Fort St. John, B.C., when the Rev. E. White conducted the beautiful marriage service for Shirley Ann Rutz, second daughter of Mr. and Mrs. Gordon Rutz and Henry George Petrie the eldest son of Mr. and Mrs. George Petrie all of Fort St. John, B.C. They pledged their vows to each other in a double-ring ceremony at 4 p.m. on November 4, 1972.

Given in marriage by her father, the bride chose a white Deball velvet slipper length gown in princess

style, with long sleeves designed with white lace overlay. Her shoulder length tiered veil was held in place by a white rose and lily of the valley headpiece and white satin slippers completed the ensemble. Her bouquet was of red roses and holly leaves enhanced by a white orchid, enhanced by trailing streamers of white ribbon caught with red rosebuds.

Matron of honor was Mrs. Donald Goddard of Charlie Lake, B.C., and bridesmaid Miss Marlene Rutz, sister of the bride. They wore short gowns of shimmering blue Deball velvet in princess style complemented with silver gloves and slippers. They white roses were scattered through their hair, and they carried bouquets of pink roses centered with a white orchid.

The groom and his attendants, Mr. Donald Goddard and Mr. Darrel Babkirk were attired in white dinner jackets, white ties, peacock blue shirts and black trousers, with boutonnieres of double red carnations. Ushers were Hal Rutz, brother of the bride and Rodney Rice.

The bride's mother chose a street length gown of red tulle with long sleeves, complemented by a silver brooch and silver slippers. Her corsage was a red centered white orchid.

The mother of the groom was gowning in a street length turquoise brocade, empire style dress, with full sleeves gathered at the waist, silver accessories and red Peace rose on corsage.

Following the ceremony a reception and dinner was held in the Elk's Hall for some 85 guests. Taking

price-of-place at the head table was a five-tier wedding cake, made by the bride's mother and decorated by the groom's mother. The table prayer was led by Mr. Jack Rutz.

Master of ceremonies was Mr. Oliver Fergusson of Pee Jay Union Oil Camp. The toast to the bride was proposed by Marcel Levac of Milligan Creek, brother in-law of the bride and was ably responded to by the groom.

The groom's sister Miss Cathy Petrie was in charge of the guest book.

Messages of congratulations were received during the reception from Mr. and Mrs. Frank Norris of Edmonton, uncle and aunt of the groom and Mr. and Mrs. Archie Rutz and Mr. and Mrs. George Martens of Merritt, B.C., uncles and aunts of the bride. The reception was followed by a dance enjoyed by some 150 guests.

Out of town guests were the bride's grandparents,

Mr. and Mrs. John Duprey of Meadowlake and great uncle and aunt, Mr. and Mrs. Jack Rutz of Makwa, all in Saskatchewan. The groom's grandmother, Mrs. H. Norris of Devon, uncles and aunts Mr. and Mrs. Tom Norris, Edmonton; Mr. and Mrs. Ian Pallister and family of Carvel; Mr. and Mrs. Floyd Switzer, Edmonton; Mr. and Mrs. Sam Liptak, St. Albert; and Mr. and Mrs. C. Webster and son Douglas of Haney, B.C., and Mr. W. Hunsch of Vancouver, B.C.

The young couple enjoyed a circle-tour honeymoon trip through Prince George, Kamloops, Banff, Jasper, Whitecourt and Grande Prairie. They will make their home in Fort St. John, B.C.

Saturday, November 25, Legal School hosted the North Central Volleyball tournament. Teams from Boyle, Niton, Sangudo, Westlock (St. Mary's) and Legal competed for first place in this district. All teams played very well and the action was exceptional. St. Mary's won the tournament, having both girls' and boys' teams winning top honors. Although the Legal boys' and girls' teams came in second, the Legal girls will be going to the provincial playoffs on December 1 and 2, in Westlock.

To top off the tournament, a teen dance featuring "Headwind" followed the

games. Many teen-agers attended and enjoyed themselves.

Gibbons Arena Topic Dec. 7

The newly-formed Sturgeon River Agriculture Society are holding a meeting Thursday evening, Dec. 7th at 8 p.m. The main topic for discussion will be the proposed arena for the Gibbons area. Officers for the Society will be elected the night as well.

As the Agriculture Society recognizes no boundaries, the meeting is open to every person interested throughout the municipality and beyond. Those wishing to join the Society will be able to do so that evening, but all are welcome whether or not they want to become members.

Gibbons Teen Club

Total attendance at the Nov. 22nd meeting of Gibbons Teen Club was 53, including 26 members.

Sharon Mills and Wayne Krupa are teen representatives of Snowball 73 which takes place Feb. 9 and 10. There will be a teen dance on Friday, Feb. 9. Thirteen teen members (Gary and Grant Noel and Gene Krupa) attending LaZerte School participated in an Invitational Senior Volleyball tournament at the U of A where 20 schools took part (girls and boys). They finished in the finals taking second prize - a trophy for each player. A fine birthday present for Gene. Other players from Sturgeon were Hal Booth, Terry Willis, Daryl Tetz and John Gordon.

Volunteers to help with supervision on Nov. 29th are Mr. and Mrs. A. Mabbutt and Mr. and Mrs. R. Noel.

If you are concerned about land use and resource development in the mountains and Foothills of Alberta - except National Parks and Indian reserves - then you will want to participate in The Environment Conservation Authority Public Hearings next March.

THERE ARE TWO REASONS FOR THE HEARINGS . . .

1. To invite briefs, written or oral, on the use and development of this area or any part thereof. Government of Alberta land use studies which have been completed or are now being completed for this area and reports prepared by Regional Planning Commissions will be made available to the public by the Environment Conservation Authority before the hearings.
2. To review submissions for recreational and tourist development for this area.

The Government of Alberta has already received several proposals for private recreational development. The Government invites further submissions for recreational and tourist development. Interested parties wishing to obtain additional information for making submissions for recreational and tourist development should write to the Director of Lands, Department of Lands and Forests, Natural Resources Building, Edmonton, Alberta. All submissions for development should be sent in to the Director of Lands by January 31, 1973. These will be made available to the public prior to the hearings.

The time and place of the hearings will be advertised in the press in the near future.

Sturgeon Initiates Weed Control Plan

The MD this year initiated a weed control program whereby farmers were offered a subsidy covering half of the costs of weed control project up to a sum of \$250 per farmer. This program proved to be very successful in the MD of Sturgeon, to the point where it has attracted the attention and drew praise from most of Alberta's 48 municipalities and counties.

In a report tabled at the Monday meeting of the MD Council, it was revealed that the program cost \$166,000, and a meeting is scheduled with Dr. Hugh Horner, provincial minister of agriculture when this weed-control program will be discussed.

The MD Council has agreed to engage a firm of consultants to make a survey of drainage problems annually experienced in the municipality's industrial area southwest of St. Albert. The firm of Stewart-Weir-Stewart-Watson is instructed to work in conjunction with the Water Resources Division of Alberta and return a report before the Spring thaw.

The Recreation Board of the MD of Sturgeon has submitted a program, coming under the Local Initiatives Program for 1972-73 for improvements of recreational facilities throughout the municipality. The estimated cost of the projects total \$110,350.00. This sum includes \$54,400 in labor and the balance of \$55,950 covers the estimated costs of materials and the such. This program was approved by the municipal council and submitted to Canada Manpower for approval. The recreational facilities mentioned in the report submitted by Carl Royan, recreational director, include skating rinks, sport shelters, community halls and renovations at various points throughout the municipality.

VIMY NEWS

Recently engaged to be married are Miss Louise Landry and Gary Bolle from Legal. Congratulations and best wishes.

The Sports Association held their annual meeting recently and the slate of officers for this year are as follows: President, Robert Huot; secretary, Art St. Arnaud; treasurer, Wilfrid Provencal; Directors - Richard Sabourin, Leon Blanchette, Marcel Bernard, Germain Fortier, Claude Huot and Roger Laplante. Mite B team - Coach Rene Joly, manager, Jim Henderson. Mite A team - Coach R. Laplante, manager, F. Dechamplain. Pee wee team - Coach C. Huot, manager Ric Landry.

Jos Blideau is enjoying a two week hockey tour with his sons Yvon and Robert.

Mr. and Mrs. Jack Burns spent the weekend at Hines Creek where they visited their son Louis and family.

Everyone is invited to attend the Annual Sports Association

local district.

A report from the MD's department of public works showed that the current year was indeed an active one in the gravelling and maintenance of municipal roads. The report revealed that over 266 miles of road was gravelled, using 109,838 yards at a cost of \$3.23 per yard. The total cost of this project comes to \$354,082.82.

The report further shows that motor graders maintained the MD road network this year at a total cost of \$145,780.00. The public works budget for 1972 shows that the year's operation cost \$846,535.12, leaving a credit (or an unused portion of funds) amounting to \$23,063.51.

The MD Council received representatives of Bon Accord and Gibbons regarding the establishment of nuisance grounds east of Legal and Gibbons. A few sites were discussed and finally, council agreed to have the councillor of the area explore possible sites with representatives from the concerned centres and report back to council.

With a completely revamped highway network east of the MD of Sturgeon, old highway 15 is being turned over to the MD subject to repair and maintenance for

all time to come. Before accepting this added road facility, council agreed to make a submission to the minister of highways, Hon. C. Coupland, requesting that old Highway 15 be resurfaced before the MD is prepared to accept the 'gift'. Council remarked that Highway 15 is in deplorable condition and was left to deteriorate while still being the responsibility of the province.

Council has also agreed to submit an application to the Provincial Resources Division for a survey and cost estimates of a drainage program. The areas involved include the Harkin, Fulton and Meakin farms west of Alcomdale as well as the area west of N.W. 6-57-23 West of the 4th and West of Sec. 28-57-23 West of the 4th Meridian. These sections of land suffer flooding damages and need to be properly drained.

In case ratepayers of the MD wonder why the November meeting was held later than usual this month, it's because all members of council attended the annual convention of Alberta Municipalities and Counties November 14 to 17. Consequently the MD's regular meeting was delayed to Monday and Tuesday, November 20 and 21.

Among the 300 delegates to United Grain Growers 66th annual meeting in Regina were Mr. and Mrs. Andrew Lutz of the Morinville district.

Mr. and Mrs. Normand Letourneau of the Legal district attended the United Grain Growers annual meeting in Regina recently.

Bon Accord plans for emergency fire team

Council met for their regular monthly meeting on November 20 with all members present. Among the correspondence was a request from the Department of the Environment for the village to appoint an inspector to supervise the use of pesticides, fertilizers and agricultural chemicals. Mr. Ken McAmmond, health inspector for the Sturgeon Health Unit, was appointed

to this position.

A written complaint had been received from village residents concerning the many problems we are faced with at present due to dogs being allowed to run loose. Council discussed this matter at length and would like, at this time to urge all dog owners to keep their dogs tied up.

Mr. Ed Brennan met with council to ask for the return of his deposit in connection

with the house he moved on to 50th Avenue. Since this building now meets the requirements outlined on the permit, council agreed to return the deposit.

Village residents may be interested to know that since the fire hydrants were installed, the municipal fire engine has made a test of these and found the pressure to be quite satisfactory without the fire pump at the storage tank being in operation.

Mr. N. Mansfield and Mr. F. W. Reynolds were invited to meet with council to discuss plans in connection with the formation of an emergency fire team. Arrangements have been made for volunteers from Bon Accord to train with the Gibbons fire crew so that they become familiar with the operation. This training, together with knowledge regarding location of hydrants in the village should be of considerable help in the case of a local fire.

Residents who are interested in joining either the emergency fire team or an emergency first aid team are asked to contact Mr. F. Mansfield at 298-3625 or Mr. F. W. Reynolds at 298-3558.

There are still a few homeowners who have not yet applied for their tax discount and are reminded that the deadline for application is December 31, 1972.

Pioneer celebrates 90th Birthday

By Rose Martel

Sunday, November 12 was a memorable day for Mr. Joseph Meunier, who was feted to a "surprise party" in honor of his 90th birthday, at Chateau Sturgeon in Legal, Joseph was guest of honor at a buffet luncheon with some 150 present.

Friends, relatives and senior citizens of the Home all joined to congratulate him and wish him many more years of good health and happiness.

Hostess for the occasion was his only daughter, Mrs. Roger Champagne of Morinville. Also present was his oldest son, Philip, of Kamloops, B.C., but his youngest son Raymond, from the States, was unable to come.

Songs were rendered by Sandra Boddez, Irma Bulger, Therese Welsgerber of Morinville and Roland Pre-

fontaine of Legal. The good wishes of all were expressed by Rev. G. H. Primeau. Mr. Meunier is a pioneer of Morinville, who came

west in 1895 and always has been a resident of the district. He retired to the Chateau Sturgeon two years ago.

Sturgeon M.D. Ready To Fight Power Hike

The Sturgeon MD Council agreed unanimously to write a letter to the Public Utilities Board and register strong opposition against Calgary Power's application to increase its general rates by 15 per cent.

This motion was approved after a letter from Calgary Power Ltd. was read by council and discussed. The secretary treasurer Alphonse Nobert was instructed to issue the letter of objection immediately to the Public Utilities Board and cite three main reasons substantiating council's refusal to accept the proposed

15 per cent general power rate increase.

The first reason given to the PUB is a reference to the agreement the MD has with Calgary Power Ltd., that the company is to supply rural areas at cost. Second point of contention is that the MD feels the power company has increased its profit level through increased usage and consumption by its customers in the MD of Sturgeon. Final point of rebuttal by the MD reminds the PUB that rural areas have financed their own lines for electrical power and should not be subjected to such a proposed power rate increase.

Calgary Power's application will be heard by the Public Utilities Board Tuesday, November 28.

No Choice

The Editor:

A newsletter dated October 12th stated "There will be no children at your door for treats," this Halloween. There weren't any children at the doors (in town) but there wasn't a choice either, (go to party or stay home!)

Another newsletter released November 15 states "The idea is to eliminate Christmas cards in your

Community." Oh, really? Does this include in-coming and out-going Christmas cards, too?

People are being informed of new clubs starting up; re-organizational meetings of old clubs; hockey (AHA by the way!); skating, etc., but there is this strange phenomena of shareholder and non-shareholder (always \$2 more) fees. Shareholders in what? The Community? Aren't we all sharing or trying to share in making our community a

better and busier place by instituting all sorts of activities for our leisure time?

There seems to be a few making rules and "factual" statements and expecting everyone to swallow - hook, line, and sinker.

Jim and Annie Falls, long time Qui Barre residents prepare to cut their Golden Wedding Cake at the home of their son James in Alcomdale.

Falls Honoured By Friends On Golden Anniversary

By Marcella McGillis
On Sunday, Nov. 12, Mr. and Mrs. Joseph Falls of Riviere Qui Barre were guests of honor of the community whose members were happy to join in offering best wishes to the couple on the occasion of their Golden Wedding anniversary. Festivities started at 1 o'clock, when St. Emerence Church was filled for a celebrated mass offered by three cousins of the jubilarians - Fathers Walter Fitzgerald of Edmonton, Leonard Fitzgerald of Calgary and Gerard Redmond of Saskatoon, ably assisted by the girl's choir, with Mrs. Hector Soetaert at the organ.

The message of congratulations and blessing from the Holy Father rested on the altar during mass after it had been presented to the couple by their eldest son, James, at the beginning of the service.

Following the church ceremony a large crowd gathered in the Recreation Centre for a reception and to enjoy a delicious lunch.

At the head table with the jubilarians were Mrs. Henry Ogilvie and Mr. Peter Sheehan, who were the attendants at the marriage in 1922. Also at the head table were Mrs. Peter Sheehan and Mr. Henry Ogilvie.

Mr. Michael Fitzgerald, as master of ceremonies, presented the couple with gifts from their family and friends, as well as congratulatory messages from Gov. Gen. Roland Michener, Prime Minister Pierre Trudeau, Lieut. Governor Grant MacEwan, and Premier Peter Lougheed. A guest book and a purse were presented on behalf of the community.

In the evening the Falls family and a few close friends and relatives were the guests of Mr. and Mrs. James Falls at their home in Alcomdale, where a delicious buffet supper was served.

Mr. and Mrs. Falls were born in Frampton, Quebec. Joe had moved west and settled in the Riviere Qui Barre district with his family when a young man. Mrs.

Falls (Annie Donohue) came with her mother and brother for a visit at the home of her aunt and uncle, Mr. and Mrs. James Fitzgerald, was married and settled in the district.

Mr. and Mrs. Falls raised a family of four: Mrs. Irving Karry (Angela) of Houghton, Michigan; Jim of Alcomdale; Lewis of Forestburg; and Leo at home. Albert Roberts has been a welcome member of the Falls household for many years. The Falls have 18 grandchildren and four great grandchildren.

Among the guests from the surrounding area and the City of Edmonton was a grand-daughter, Anne Karry, from Los Angeles, and Mr. and Mrs. Irving Karry from Houghton, Michigan.

Their many friends wish Mr. and Mrs. Joseph Falls many more years to enjoy life among family and friends.

Sturgeon Council Views 2000-Acre Annexation Bid

An application from Allarc Developments Ltd. to annex about 850 acres of land to St. Albert was received by the Local Authorities Board and discussed by the Sturgeon Municipal District Council. The land is described as River Lots 41 to 45, east of St. Albert.

At the same meeting held last Monday and Tuesday, another application for annexation to St. Albert was received, this one from Arcana Agencies Ltd., and the land is situated north-east of St. Albert and comprising approximately 1,200 acres. In view of the magnitude of these annexation proposals, involving over 2,000 acres of land, the MD council agreed to submit its views to the Local Authorities Board suggesting that a meeting be held of the MD of Sturgeon and St. Albert Town Council to discuss these two annexation proposals.

It is anticipated that both councils will discuss this matter at the next joint meeting.

Congratulations to Mr. and Mrs. Robin Smith on their recent marriage. Mrs. Smith is the former Rachelle Lesburg, second daughter of Mr. and Mrs. Albert Lesburg of Villeneuve. Mr. Smith is the son of Mr. and Mrs. Stanley Smith of Edmonton.

Little Linda Berube, infant daughter of Joanne and Levi has made a fine recovery after her very serious bout with illness at the Misericordia Hospital.

Congratulations to Armand and Michele Gauthier on the birth of their daughter.

A large crowd of relatives and friends gathered in the Villeneuve Community Hall on Sunday evening to wish Lina Soetaert "bon voyage" as she leaves to take up her duties with the Royal Bank in Hay River. Lina's willingness and ready smile will be missed in the Villeneuve Community and as a token of her many friends they presented her with a silver charm bracelet and a purse.

The Villeneuve 4H Beef Club's awards night was a real success making a particularly exciting impact on the 10 and under who were invited. This annual family type gathering is appreciated by the whole community and Mr. Durocher and his club members are to be congratulated.

The residents of the hamlet of Villeneuve are truly enjoying the respite from the heavy traffic they have experienced the last two years. The new road, by-passing the hamlet, has been completed and the residents are most grateful to the persons and levels of government who recommended this bypass.

Father Bernard is now assisting Father O'Callahan and St. Joseph's Seminary in serving the parishes of Villeneuve and Calahoo. Father Bernard is from Edmonton and is in charge of St. Paul's Student's residence there.

CWL ladies are doers and Villeneuve is no exception. Villeneuve CWL sends six ladies a month to work for one full day as volunteers at the Marian Centre. President Simone Sheehan asked for a donation for the Christmas dinner for the men at Marian Centre and the membership individually donated one full menu from Turkey to dessert. This is Christianity in action.

The Villeneuve annual fall supper was the most successful to date. A record attendance was reported thanks to the publicity given in the Gazette and of the local people who made the effort to spread the good news. It was a wonderful reunion of friends from Edmonton, St. Albert, Calahoo, Riviere Qui Barre and Morinville. Thanks for coming and see you again next year!

Hector Soetaert and Philip and Andre Borle and David had a very successful big game hunt west of Olds in the foothill area.

Badminton is reorganized and a large crowd of participants has necessitated three sessions per week, Thursday, Tuesday evenings and Saturday afternoon. Badminton is again under the direction of Jean Victor and Robert Lema.

Margaret Borle, 4H Clothing Club leader, attended the three day Leadership convention held at the Macdonald Hotel on Nov. 6. The theme this year was on the pros and cons of giving awards.

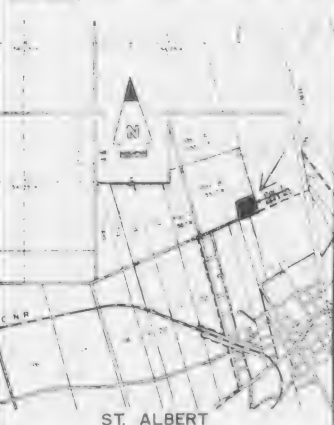

The CWL is where the action is and this year the action will be in the Villeneuve Community Hall on December 18 when the ladies will entertain their husbands at a Christmas social.

Father Don Kroetch OMI of Inuvik, his mother Mrs. Kroetch and a cousin Blanche Kroetch were guest speakers at the November meeting of the CWL. The two ladies showed slides and recounted their experiences on their recent trip to Peru. Father Kroetch showed movies of his mission in Inuvik.

Travellers to Battleford and Prince Albert with the St. Albert High School Choir were Jocelyne Durocher, Colleen and Patricia Sheehan and June Borle. The choir presented three performances of Jesus Christ Superstar.

David Borle has begun his engineering career in the employ of Schlumberger. David is presently with the Edmonton branch of the company.

Morinville was honored with the visit of two church dignitaries on Sunday, Nov. 19th. Rt. Rev. Bishop Raymond Roy of St. Paul was here for the first time officially, since his appointment to the diocese, and Archbishop Henri Routhier, from Peace River country, delivered the homily at the Thanksgiving Mass on Appreciation Day for the Filles de Jesus.

After 50 years of residence in Morinville, Mr. and Mrs. Bernard Fuchs, and their son, Lawrence, moved to their new home in the Kensington area of Edmonton.

Mr. Andrew Lavallee left last weekend by car to spend the winter months in the southern states.

Yvette Tellier reports that the annual meeting of the Morinville Frontier Daze Association, will be held on Thursday, Dec. 7 at 8 p.m. in the International Building. On the agenda the annual report by retiring chairman, Pete Gibeault, financial statement by retiring treasurer Yvonne Turgeon and election of four new executive members for terms of office which have expired. These are chairman Gibeault, treasurer, Yvonne Turgeon; directors Rev. G. H. Primeau and Raymond McDonald.

Another driver failed to negotiate the corner two miles south of Morinville, on old #2 highway, early

Saturday morning. The sole occupant of the car has been identified by investigating RCMP as Denis Provost, 38, of Drayton Valley. He is resting in hospital with a broken knee cap, and bruises.

Two other accident victims, Sidney Pifko and Dale Vranas are reported progressing favorably in Royal Alex and Glenrose Hospitals. Mr. Pifko has received three skin graftings to date, all reported successful. Dale had dinner with his family in Morinville on Sunday, Nov. 19 and is taking therapy treatments in Glenrose, which are speeding his recovery. A cheery card from the folks in the old home town new and at Christmas time could help along in the long road to recovery for both Sidney and Dale. Addresses: Sidney Pifko, care of Royal Alexandra Hospital, Edmonton; Dale Vranas, care of Glenrose Auxiliary Hospital, Edmonton.

Mr. and Mrs. John Saunders recently announced the marriage of their only daughter, Sharon Ann, U of A student and honor student from Vanier High, to Thomas Dalton Skinner, son of Mr. and Mrs. Dalton Skinner of Red Deer.

The lucky winners at the Grand Opening of H & H Snowmobile Sales Saturday were: Skidoo suit voucher, Ronald St. Laurent, and the children skidoo suits, John Rak, Raymond Houle and Gary Himschoot wish to thank the folks who dropped in.

The Double C Investment Club held a closure social in the Legion Hall last Friday, Nov. 24. Raymond Gibeault chaired the final business meeting and the final financial statement was given by Oscar Gibeau. He reported that the club had been in active operation for the past seven years, and had experienced a net gain of over nine per cent on their investments, of \$10 per member per member. After reaching their goal of over \$1,000 each, the 15 members by mutual consent, agreed to dissolve the group. They reached their original goal and all learned more about the stock market.

Early Saturday morning the fire brigade responded to a fire at Nick's Auto Body in Morinville. According to Deputy-Fire Chief Don Found, a passerby notified Red Rondeau, who was working in the premises at the time, that the roof was ablaze. Although the visible damage is negligible, it was reported that the "upstairs" of the building was gutted by smoldering fire. The cause has not been identified according to Mr. Found, but may have been electrical. The damaged shop is still operative.

On Saturday, Dec. 2 the Morinville Cubs will deliver the new local phone books to each household. It is hoped the working boys will be well received by all.

Chester and Mac Crozier celebrated their silver-wedding anniversary on Nov. 8 and have been feted on a number of occasions. A surprise party was held by friends at the home of Don and Alice McLay. Their family of three children, Leonard, Pamela and Irene took them out for dinner and dancing at the Caravan Penthouse. The Croziers family gathered at their home last Saturday night, with Mac's sisters and brothers coming from Vermilion and

Drumheller for the occasion.

The Namao School and Community League wish to thank all those who attended the fund raising Open House held in the hall on Saturday. All those who were unable to attend and wish to donate may send their donation to Mrs. Jack Pearce, RR #4, Edmonton, Site #6, Box #8.

Get well wishes of the district go to Mrs. Kathy Gough who is in the hospital. We wish her a speedy recovery.

Rural Recreation

WINTER COURSES:

Now is the time to start making recommendations to your local community association or to our department at 424-6276 or 256-3323 for any activities you would like to participate in after Christmas. The courses will likely start in the middle of January or in the first part of February and run for eight weeks. If you have any special interest and think that others may wish to join you in exploring them, be sure to contact our department.

There are many activities now in progress in each community with, in most cases, local residents leading them. If you have any special skills that you might like to share with others in the form of a recreational class please contact the office.

UPHOLSTERY COURSE:

There is a possibility of having an upholstery course set up within Surgeon. This course would be set up so persons attending the session would actually work on a piece of furniture during the class, but would do the sewing at home. If you would be interested in attending such a course contact either myself or the District Home Economist (256-3351).

A Ski Association is in the process of being formed. Group rates are available to clubs of 30 or more members. If anyone is interested, please contact this office.

Large crowd honours Legal sisters

By Lucienne Montpetit

The Parish Council, the School Board and the Students Union hosted an Appreciation Night on Nov. 24 in honor of Sister Aurore Blanchette and Sister Dorilla Simard who have taught in the Legal School for the past 25 years.

Bishop Raymond Roy congratulated the Thanksgiving Mass with Father R. Blasonnette and Father Primeau. Fathers A. Houde and Rosario Simard were also present. The St. Emile school choir sang the Hootenany Mass.

At 8 p.m. the Community Hall was filled with well wishers, grateful parents and friends, Mother Provincial Sister Keegan, and Sister Marguerite Cole and other sisters were also present.

The stage was beautifully decorated with the code of arms of the Grey Nuns 'In Hoc Signo Vincas'; 'By This Sign You Will Conquer' which was the theme of the evening.

The program opened with O'Canada followed by a welcome address by Denis Nault, president of the Students Union and master of

ceremonies.

An elementary school group under the direction of Mrs. Marcel St. Onge rendered a very appropriate song entitled "Thank You Very Much."

Marlene Champagne and Angeline Auger presented the sisters with a beautiful bouquet of red roses on behalf of the students.

Mrs. Claude Maurier president of Les Femmes Chretiennes thanked the nuns for all efforts and devotedness towards the religious and french teaching of their children, mentioning they had also taught many of the members. She presented them with engraved pens.

Mr. Dixon Keane, principal of the school spoke on behalf of the teaching staff, remembering the past and reading the names from the school register of the students of 25 years ago. Mr. Keane presented the sisters with pendant watches.

Mrs. Dick Hunting presented the honored guests with a money gift on behalf of the CWL.

Vivian Maurier entertained with a tap dance number.

Representing the town council, Deputy Mayor Joseph Nault brought congratulations and sincere thanks from the town, for their unlimited services and their superior teaching in our community. Mr. Nault presented them with leather correspondent folders with their names and year engraved on them.

Father Blasonnette, pastor, addressed the gathering. He thanked the Rev. Sisters on behalf of the parishioners for being such devoted sacristan and for their great contribution in christian education that embedded good moral values in our community and society.

He wished them health, happiness and many more years to be of service in our community.

Rita Larose and Patsy Montpetit sang two songs with appropriate lyrics for the occasion.

Richard de Champlain extended his best wishes on behalf of the Parish Council and presented them with a chromex platter.

Ms. Fete au Village (Margo Montpetit) presented Sister Blanchette with a plaque, and Gerald Letourneau

presented Sister Simard with a plaque on behalf of the students.

Mr. Hervé St. Onge spoke on behalf of the school board, thanking the sisters for their outstanding and dedicated service to the school. Mrs. Doreen Brisson (member of the school board) presented the sisters with Service Pins.

Bishop Raymond Roy congratulated the sisters and stressed how important their services are in a parish and how fortunate that the people of Legal were to have them in their midst. Sister Blanchette and Sister Simard both thanked the organizers of this 25th anniversary also all those who came from near and far to celebrate this memorable evening that they will cherish in their hearts for many years!!!

Most Valuable Player Trophy, sponsored by Sir Arthur's Steak and Pizza Palace was presented by Mr. George Pico, provincial deputy for the Knights of Columbus to Pete Van Brabant of the Legal team. Presentation was made Sunday after the final which saw St. Albert win over Calgary in the K of C Invitational Tourney.

LEGAL LOCALS

By Lucienne Montpetit

and Mexico.

The Knights of Columbus really enjoyed playing hockey at the St. Albert Invitational tournament hosted by the St. Albert Council last weekend. Legal won one game but lost two. Despite their defeat the players made new acquaintances and met old friends. Congratulations to Pete Van Brabant a player on the Legal team who won the trophy for the top player and top scorer of the tournament. The Legal Council thank St. Albert for inviting them to take part in the tournament.

Mr. and Mrs. Real Champagne moved into their new home last weekend. Mr. and Mrs. Royan bought Real's house and they also moved last week.

Mr. and Mrs. Patrick Mahe accompanied by Mr. and Mrs. Jos Vallant from St. Albert returned last week from a three week motor trip to California, Texas

Beppo Tate by C. Everard Willard and "A Dog and a Half" by Barbara Willard. All highly recommended. Many picture books for the very small also.

Worker: "Would you increase my wages? I was married yesterday."

Boss: "I'm sorry, but we are not responsible for accidents that occur outside the factory."

Congratulations to Garry Bolle and Louise Landry who were engaged last week.

Les Femmes Chretiennes will hold their monthly meeting on December 4 at 8 p.m. Miss Pat Prymak will be the guest speaker. She will speak on Festive Ideas and crafts. It promises to be very interesting and we hope all the members will attend and get new ideas for the Christmas season.

All the members and their husbands are invited to the Christmas Party that will be held at the Rec. Centre on Saturday, December 2 at 8:30 p.m. and not December 9th as previously announced.

News from Calahoo

By Liz McLeod

On Dec. 9 in the Gazebo at 8 p.m. the Sports Association will be presenting the film, "Black Beauty" for one and all to come and enjoy. The previous film "Wild Country" was well attended and thoroughly enjoyed by all, as was the popcorn supplied by the Sports Ladies.

The Calahoo Sports Association are planning a New Year's Eve Frolic on Dec. 31 which includes a cold cut buffet supper and whistles and hats etc. for ushering in the new year.

Due to the packed house at their Hard Times dance, only advance tickets will be sold at \$3 a person or \$6 a couple and anyone interested may contact Pearl Quintal or Marlene Berub. Improvements are under way presently in the Gazebo so the floor should be in top shape by then.

On Nov. 19 in Alberta Beach Lutheran Church an impressive baptism took place when Doug and Lillian McLeod's young son Cameron Douglas and Lloyd and Anita Bergtreiser's son Terry Lloyd were christened, and after not seeing the sun for high on to two weeks, it shone so brightly

just at this time making it a perfect day. Both grandparents joined Doug and Lillian at their new home for dinner and a visit afterwards. Lloyd and Anita and Terry went to Terry's grandparents, Mr. and Mrs. Willie Plischke's home at Alberta Beach where Auntie Uncle could also enjoy the baby.

HOUSEWARMING FOR DOUG AND LIL

If one could capture the surprised looks on Doug and Lillian McLeod's faces, when around 45 neighbors friends and relatives packing lunch and tables and chairs, came to this young couple's new home to help them celebrate on Nov. 25! These gatherings have a two-fold purpose because it seems you only see your neighbor on a special occasion anymore. What a wonderful night was spent playing games like holding two bits between your knees and dropping it in a milk bottle, holding a bar between your upper leg above the knee and transferring it to your partner in relay race. Perhaps sitting on an apple and transferring it to the next chair in a race between men and women was funny, but charades and blindfolded the men and having them find their wives by feeling their

legs proved the most hilarious.

All in all a wonderful time was had by all and the three infants present got their share of attention also.

The Villeneuve 4H family dance on Nov. 11th had real family participation. With the good music of the Satellites and the up and coming generation keeping their parents a-dancing it was a joy to be present to meet so many wonderful people. Since this was also the Awards Night many members received trophies with Miss Debbie Kramer walking off with no less than eight. A very talented lassie indeed.

Eight members of Calahoo WI had an interesting afternoon when they enjoyed a visit to Onaway WI. Since the Peace Gardens slides were received too late for the Calahoo meeting, local members enjoyed them there.

Another day Mrs. F. Lischewski, Mrs. K. Dalheim, and this correspondent visited Spruce Grove Women's Institute and thoroughly enjoyed it.
